

# Your Local Wildlife Needs Your Help!

**East Sussex Wildlife Rescue & Ambulance Service**

## Waterfowl Awareness Course.

**Wesley Room, Cross Way, Steyne Road, Seaford**

**Tuesday 28th April 2009 7.30pm—9.30pm**

**£7.50 Advance Booking or £10 on the Door.**

**Refreshments included.**

**A fun presentation using photos and video by Trevor Weeks.**

**Do you know the difference  
between a male and female  
swan or duck?**

The aim of this course is to educate and increase awareness of the main species of waterfowl found on local park and village ponds as well as those found on other inland waterways. The course covered also looks at their behaviour and habits as well as looking at the main problems faced by these birds. The course is designed for members of the public and also covers several myths about waterfowls too.

This is a fun and informative training session, and can show you how you can help us care for your local wildlife on your local park or village ponds. Please come along and learn more plus help wildlife at the same time. To advance book please send a cheque for £7.50 payable to "East Sussex WRAS" to the Seaford address below.
