Trevor's Summer Column

I hope you are all staying safe and well in these unprecedented times of Coronavirus.

Our summer season has been exceptionally busy this year with over 800 casualties being dealt with in both May and June! This is the first time we have dealt with more than 700 casualties in a month, but what an increase!

With so many organisations and veterinary centres either closed down or working limited hours due to Covid-19, WRAS's workload went through the roof!

We have been really lucky this year as we have newly erected our outdoor pens and aviaries which have helped with the flow of patients through the rehabilitation system.

Everyone has worked so hard and I am really proud of what they have all managed to achieve under such difficult circumstances.

If you haven't taken out a standing order with WRAS, please consider doing so as this is the best way of showing your support and can really help us with a monthly donation allowing us to plan and budget for the future.

Without your help our service would not exist, so thank you so much for all your support.

Can you help raise vital funds?

The down side of Coronavirus is that many of our events, training courses and fundraising streams have dried up.

Can you help in fundraising, have a virtual coffee morning or something? Some of our amazing supporters have been sending us donations to make up for what they would normally spend on coffee whilst out in town. Thank you, it all helps!

We have received a grant via Eastbourne to help cover some of the loss of income from our Charity Shop, and we are looking at other avenues.

Our work is only possible thanks to donations and support from people like you. Thank you so much for all your help. Without YOU we would not exist. If you can help with a donation it would be very much appreciated.

Thank you
Trevor Weeks MBE

I want to help WRAS rescue casualties by making a donation...
