FUNDRAISING REGULATOR

The person named above is raising money in aid of East Sussex Wildlife Rescue & Ambulance Service (East Sussex WRAS), an award winning community charity operating a front line veterinary ambulance service and hospital for sick, injured and orphaned wildlife in East Sussex. The charity deals with over 4300 casualties each year. Unlike their domestic cousins, wild animals don't have owners to look after them when they need help, but here in East Sussex they do have WRAS.
